Specify program by title and date _____

You must add 7% to the listed fee for each certification beyond the first which you request below E.g., an NHA licensed in PA will pay the fee above but if you request a second accreditation below, add 7% to the above fee. If the additional fee is not provided, only the accreditation you list first will be provided.

Please check the professional certification you wish to receive. Hours of credit being awarded for the four-day conference appear to the right of each accrediting body. Since our applications to all licensing boards identified the registration options above, participants joining us for one-three days will also receive full board-approved credit. For example, the following daily credit will be awarded to PA NHA's: 8 hours for attendance on each day, for a total of 32 hours. Since awards vary, you can determine credits for each program day by multiplying the hours below by 25.

List state of licensure (if applicable) _____ and license number _____.
